

Laptop Required

The Department of Communication computer and camera requirements found within the university catalog covers all Communication majors and is effective immediately upon a student's enrollment in courses in Communication. Non majors - students pursuing a minor in Communication, students in the BSIS program, and any others taking the following Communication courses - are also required to adhere to the departmental computer and camera policy.

In addition to a laptop, students will need an active subscription to Adobe Creative Cloud while enrolled in the following courses:

CO 2333 Television Production
CO 2423 News Editing, Typography, and Makeup
CO 2524 Stagecraft and Lighting
CO 2544 Makeup and Costuming
