DEPARTMENT OF COMMUNICATION

SAVE MONEY

with student discounts
on laptops and software

Apple Laptops

Visit an Apple store or the online Apple Store for Education for student discounts on Mac products. Valid student ID required. Price ranges can be found within the laptop policy posted on the Department of Communication website under the Academics tab. The price ranges shown were provided by the online Apple Store for Education in April 2019 and reflect the student discount.

Adobe Creative Cloud Software

Student discounts for Creative Cloud are available from Adobe. The “All Apps” plan currently offers a promotion price of \$19.99/month for the first year of the subscription, which can be prepaid, and \$29.99/month thereafter. (Regular price is \$49.99/month.) There is also a “Photography” plan which only includes Lightroom CC and Photoshop CC at a current promotion price of \$9.99/month.

Students are strongly encouraged to prioritize the scheduling of classes to take advantage of the subscription terms.

Visit comm.msstate.edu and click on the Academics tab for more information.
